DIRASAT (week-31)	
Monday	an A4 size blank paper crayons
Tuesday	
Wednesday	

1. A cardboard box with a lid-A4 paper boxes or shoe boxes are ideal.

2. A Torch

3. Small objects like- small toys, any small object which can be put in standing position in the box

Thursday

Use a craft knife to make a flap in the lid about 3cm x 3cm. Use a sharp point to make a tiny hole in the side at centre. This hole needs to be small to prevent light getting in. A circular hole-smaller than the diameter of the pencil.

Kindly make sure that - you can place small objects from the upper flap into the box, also after placing the object the upper flap should be well covered so no light can enter through it.

SPORTS (week-31)

Thursday

A football .
